

We're the Commercial Real Estate Pro's of Northeast Wisconsin

The Principal

The firm is owned by Russell Meerdink who has over 30 years of experience in the commercial real estate business and founded Meerdink & Associates, Inc. in 1986. He became involved in commercial real estate in the mid 1970's after serving as the Administrative Assistant to a Member of the US House of Representatives and as a Foreign Service Officer with the Agency for International Development, US Department of State.

He knows the players, the public officials and the movers and the shakers of the area needed to get real estate projects moving ahead. He has changed the landscape of Northeast Wisconsin through innovative and imaginative real estate projects. This type of experience can work for you.

Our Services

- We are brokers that will aggressively market your commercial real estate on either a sale or lease basis.
- We are developers with proven success. For example, we've had a hand in developing much of the land around the Fox River Mall.
- We are consultants with the skill and experience to assist you with the most complex real estate problems and opportunities.
- We are property managers and manage some of the Valley's best known properties.

Our offices are located in Renaissance Plaza, one of the landmark properties we manage.
